

Waterville Playshop
Children's Workshop

Annie, KIDS

Students, ages 6-16, will meet every Saturday at the Waterville Playshop building and learn musical theatre skills such as singing, dancing, acting, projection and much more in a welcoming and inclusive environment

Culminating in a performance on Saturday, March 14th:

"Annie, Kids"

Where: The Waterville Playshop building
808 Michigan Avenue, Waterville, Ohio

When: Saturday mornings, 9:00-12:00
January 18th- March 14th, 2018

Cost: \$125 cash or check (\$50 non-refundable deposit will secure the child's place in the classroom) Additional students in each family will be \$100 each.

Registration will open on December 1st and will end once the class is full. As in previous years, we fully expect this class to be full so make sure that you enrol early!

This is perfect for the holidays! Why not give a child a gift of experience and fun education? Gift certificates are available. Feel inspired to donate toward a student's scholarship in the program? That would be wonderful, too.

***THERE IS A LIMITED NUMBER OF SPOTS FOR THIS WORKSHOP**
