PLEASE COMPLETE REVERSE SIDE OF THIS FORM AFTER REVIEWING THE EXPECTATIONS/REHEARSAL SCHEDULE AND SHOW INFO DOCUMENTS!

Before auditioning....

This is a Waterville Playshop Community Theatre production, so all participants are expected to follow the guidelines set forth by the Playshop board of trustees. Please review the "Audition information and expectations" page. Waterville Playshop, per its mission statement, is a non-profit organization whose volunteer membership is for any person interested in the education of, appreciation for, and production of live theatre. We audition to see if there are persons better suited for the production's roles. We seek the very best talent and personalities to put on stage. Stage "look" and physical attributes for the characters we are seeking may also enter into the casting decision.

Please review the attached Expectations Form & Rehearsal Schedule. Please list below, and discuss with the Director, any conflicts or problems you might have in being available for rehearsal on the dates indicated. Beginning **Thursday, February 9th, 2023**, you will need to be available for ALL rehearsals. And while this show allows for rehearsal flexibility, the director needs your information to adequately plan a productive rehearsal schedule that benefits all.

** More than 2 Unexcused Absences may result in your dismissal from this Production.*
